## Summary

6+ years of teaching experience in the field of Accounting, Taxation, Economics, Fintech, Finance & Financial Risk Management. Experienced full time faculty for CA, CS and CMA (Entrance & Executive). Served as a guest lecturer (MBA) for Bangalore and Pune University helping students to elevate their skillset and knowledge. 2+ years of experience in delivering onsite and offsite corporate trainings to working professionals and helping them to have a practical insight of Industry. A Commerce Graduate and CA with 4 years of Industry experience. Chartered Accountancy, Taxation and Indian Classical Music Graduate, Fashion Model, Part time blogger and a Content Writer.

The one who is keen of quenching thirst for the 'purpose of life' by showing active involvement in everything the world has to offer. I believe to live life on the philosophy of 'feeding the soul' by aiming to merge the objective of achieving financial goal with an equal devotion to inner soul.
